

HOTEL PALACIO AZTECA
AND DR DONATO PEREZ
THE BEST CHOICE IN
TIJUANA

DR DONATO PEREZ

- ▶ Dr. Donato Perez is the most experienced IPT medical doctor in the world – he heralds over 46,000 treatments and has been in practice as an IPTLD medical doctor for more than 30 years.
- ▶ He has published several papers in peer reviewed medical literature. A main part of my treatment protocol is Insulin Potentiation Therapy IPT[®] or IPTLD[®], it is a metabolically supported chemotherapy . It involves fasting, insulin and chemotherapy in combination with a variety of drugs with anti-cancer activity, Detoxification and an immune biological support.

DR DONATO PEREZ

- ▶ The decision is made on what works best for the patient. This integrative therapy is very effective and has a high response rate. It is tolerated very well and improves life quality and the prognosis for life expectancy significantly. Dr. Donato Perez is the most experienced IPT medical doctor in the world – he heralds over 46,000 treatments and has been in practice as an IPTLD medical doctor for more than 30 years. He has published five papers in peer reviewed medical literature.
- ▶ As you know it was Donato Perez Garcia, MD (1896-1971) who invented “Insulin Potentiation Therapy” or IPT/IPTLD® in 1930. The inventor taught IPT to his son, Donato Perez Garcia y Bellon, MD (1930-2000) who become an IPT Master and he taught and passed his IPT expertise on to Donato Perez Garcia, MD.
While you stay under my care it is always important that the place you will be calling home during you stay with me is also interested in making your day a nice experience with breakfast, lunch and dinner as well as your room a comfortable as possible so you do not have to worry about the daily chores of house cleaning. Food is prepared following the recommendations of Dr. Donato.

HOTEL PALACIO AZTECA
